

2008 Twilight Camp Differences

- Packs are strongly recommended to pick up their t-shirts at the First United Methodist church in the Family Life Center in Room 2A from 6 - 9PM on Tuesday, June 10th. This gives you a chance to distribute the shirts to the boys/WDLs prior to camp and should speed up the check-in on the first day of camp.
- We will distribute the names of groups for each pack/rank ahead of time so that everyone should know which group they are in. We will also have signs near the pavilions listing the groups and the packs in them for those who do not get advance word.
- Baskets will be organized on the tables by rank and the signs on the baskets will be color-coded (orange for Tiger, yellow for Wolf, blue for Bear, green for Webelos)
- Pick up your basket if you are the first WDL from the group to arrive and proceed to the flagpole. Have everyone in the group meet you at your group sign at the flagpole.
- Check the basket. There will be an attendance sheet that will list if we need anything from any of the boys or adults in the group. If we need something, send that person to the line labeled **Pre-Registered**. If we do not indicate that we need anything then we don't need anyone from that group to come to registration. This should avoid the long lines we have had in the past.
- No Heelies or skateboards are allowed. This is a safety issue.
- We will not distribute water bottles this year so each person needs to bring their own.
- Egg drop rules have changed. They will be distributed during camp. Parachutes, balloons, etc are no longer allowed. Eggs will be placed by the boys in bins labeled with the boy's rank on Friday morning. All eggs for one rank will be thrown before any for that rank are collected. Then that rank will collect their eggs and proceed to check them and collect their Egg Drop bead for unbroken eggs while the next rank's eggs are dropped. This should allow the Egg Drop to proceed more quickly and smoothly than last year and eliminate the need to call out the boy's names.
- The SWAP contest will be held on Thursday this year instead of Friday. Anyone wishing to enter the contest may turn in ONE swap by Wednesday. Tigers can turn in their SWAP as late as Thursday morning. SWAPS for the contest should be turned in to Zoe at the Registration pavilion (Headquarters).
