

Good Turn for America is a national call to service by the Boy Scouts of America to address the issues of hunger, homelessness, and poor health in our nation. In this effort, the Boy Scouts of America is partnering with some of the nation's most respected service organizations, including The Salvation Army, Habitat for Humanity, the American Red Cross, the American Cancer Society, America's Second Harvest, and the Department of Homeland Security. These organizations and thousands of others will work to provide opportunities for youth and volunteers to fight hunger and homelessness, and teach the habits of healthy living.

Youth and volunteers are looking for ways to serve their communities. At the same time, service organizations need dedicated volunteer help. By working together, we can improve our young people, our communities, and the nation.

Your unit able to log hours by visiting
