

Request and Invitation for Armed Forces Participation

NORTH TRAIL TO ADVENTURE - CUBS & HEROES OCTOBER 3, 2009

Many of you have personally experienced or are aware of the Circle Ten Council, Boy Scouts of America program entitled “Welcome Home A Hero”, where area Scouting units welcome returning military personnel as they deplane at DFW Airport.

“North Trail to Adventure - Cubs & Heroes” is an event recognizing and celebrating our military heroes and we are asking you to join with us for this special occasion. More than 1400 area Cub Scouts and their families are expected to attend, with Boy Scouts and adult leaders functioning in support and staff positions.

To get a feel for this event, activity/program areas will be named after famous battles, campsites will be named after Medal of Honor recipients, and Cub Scouts and their families will be eating “C-rations”.

There are many opportunities for units and individuals to participate, here are but a few examples; opening flag ceremony, transportation of Cub units from the check-in area to their campsites, host an activity/program area, staff a first aid station, set up equipment and information displays or participate in our campfire ceremony. Opportunities are only limited by our imagination.

Please help us create memories that will last a lifetime.

Event location;

Camp Wisdom/Cub World
6400 West Red Bird Lane
Dallas, Texas 75236

To help with our logistical planning, if you will be able to participate in this event as a unit or as an individual, please let us know by registering at www.northtrail.org, then click on “North Trail to Adventure – Cubs & Heroes”.

To discuss opportunities for participation, please contact;

Kip Lankenau, Camp Director
